## The News in Brief

**POLITICAL POT**—The old adage that "a watched pot never boils" may be true except when speaking in terms of political pots. In observing the local political scene for the past few weeks, most of you, no doubt, have detected a rise in temperature of the pot each day as the April 13 election draws near. And with the voting day only three weeks away, the pot is beginning to boil—giving off a tinted steam spurred from a catalyst of charges and counter charges.

## Mrs. Glavinovich Honored by Local Pioneer Friends

A reunion of old friends and neighbors of Albany's pioneer days was held at a recent luncheon honoring Mrs. Dulavita Glavinovich at her home, 1115 Dartmouth St.

Reminiscing the "gold old days" and their experiences covering a 40-year period was a highlight of the luncheon which was arranged by Mrs. Susie Kreider.

Among those attending the get-together honoring Mrs. Glavinovich, wife of the late John Glavinovich, Albany's first Chief of Police, were: Mr. and Mrs. Philip Asher (formerly Mrs. Rose Cohen), Mrs. Freda Brown, Mrs. Wemple (Isom) Parker, Mrs. Lillian (Lindquist) Murison, Mrs. Rose Villa, mother of Joseph and Henry Villa; Mrs. Frank J. Roberts, Mrs. Lillian Roberts, wife of Albany's first mayor; Rose Glavinovich and Nettie Wyman.

## Albany Demo Club Has Good Start

An Albany Democrat Club for men and women today has been organized here and will elect officers at a second organizational meeting to be held Monday, April 5 at Cornell School Cafeteria.

Initial steps for organizing the club were taken last Monday evening at the school where some 60 residents attended a dinner given by the Albany Democratic Women's Study Club. Judge Louis J. Hardie presided.

Lee McGee and John McElheney of the Berkeley Young Democrats outlined the state and national Democrat Party organization and explained how the new Albany club could function on a community level. They also answered various questions as discussion of the proposed club progressed.

Wenton McKibben, candidate from the 18th Assembly District, also spoke.

A committee on constitution and by-laws was named to begin work on a proposed charter to present at the April 5 meeting. The committee included Judge Hardie, Miss Heba Koistinen, Don Ziegenfuss, R. H. Mendell and Preston Hunter. A committee composed of Minnie

## Open House Scheduled For Albany

Albany voters will go to the polls April 13 to decide whether the city should purchase a \$35,000 civic center site for the eventual location of all city offices.

But before voting, Albanyans will have the opportunity to tour existing city buildings at an open house scheduled for Monday, March 29 and April 5.

The open house was arranged by the City Council in cooperation with the various department heads. Buildings open to the public will include the City Hall, 1045 Solano Ave.; Fire House, 801 San Pablo Ave.; Police Department, 803 San Pablo Ave., and the Recreation Department, 850 Masonic Ave. Hours will be from 8 a.m. to 8 p.m. at all buildings with exception of the Police Department which will be open in the afternoon and evening only. Residents are also invited to attend the City Council meeting at 8 p.m. at the City Hall.

Purpose of the open house, according to Councilmen, is to acquaint the public with the existing conditions under which the city is presently operating "so they may judge for themselves the adequacy of our present buildings."

## Lions Club Sets Benefit Rummage

The Albany Lions Club will hold its spring rummage sale Thursday and Friday, April 2 and 3 in the Community Center Building at Codornices Village, it was announced today by President Carl MacWilliams.

Proceeds from the benefit event will be used to assist the Lions in their tree planting program which was started some months ago. Over three dozen trees have been set out to date under direction of the Albany Park Department at no cost to the taxpayers.

Chairman Jim Rodwell is pleased with the material being turned in but states the committee will be happy to pick up other contributions such as clothing, furniture, dishes.

## Albany High PTA Elects President, Other Officers

The Albany High School PTA today has elected a new president and other officers to serve for the coming year.

Mrs. Duane Clemmons is the new president-elect and will succeed Mrs. Maurice Giles when officers are installed in May.

Mrs. Clemmons automatically becomes the unit's delegate to the PTA State Convention which will be held in San Francisco April 21, 22 and 23.

Other new officers include the Mesdames Leslie H. Burnan, first vice-president; W. J. McNulty, second vice-president; John Zuerner, treasurer; Charles Markley, recording secretary; Al Simmons, corresponding secretary; Franklin Henry, historian; E. E. Combs, auditor; C. R. Quick, parliamentarian; Oscar Koskella, financial secretary; and Lawrence Collins, delegate to council.

All interested Democrats are invited to attend the next meeting.

## Mayor Howell, Mrs. Zahn Battle Over Billboard

A billboard urging residents to "Vote on Proposition No. 1" at the April 13 municipal election set off a verbal battle Monday night between Mayor Lewis M. Howell and Councilwoman Mrs. Kathie Zahn.

Mayor Howell was given a vote of confidence by his male colleagues at the City Council meeting for his part in obtaining the free use of a billboard urging residents to vote on the proposition calling for purchase of a civic center site.

## Albany First to Reach Goal in Red Cross Drive

Albany was among the first sections to go "over the top" in the recent Red Cross residential drive for members and funds. This response is characteristic of the communities which comprise the Berkeley chapter, according to its chairman, Mrs. Frank Kleeberger.

"We have a reputation at national headquarters and all across the country as one of the most successful chapters in the nation from the standpoint of winning both financial support and volunteer service from our citizens," she said at a recent meeting of fund solicitors.

Mrs. Will H. Betten, chairman of the Albany drive states that if any resident of the area was accidentally overlooked in the door-to-door campaign he can still obtain his Red Cross membership by phoning to her at her home (L.A. 6-8675) or mailing his contribution to the Berkeley chapter house 2116 Allston Way. Assisting Mrs. Betten as her vice-chairmen, were Mrs. Leslie Spivak and Mrs. Eugene Blank.

The spring swimming instructional program sponsored by the Albany YMCA will open here Saturday morning at the Albany Pool, Portland and Pomona Aves.

Hundreds of boys and girls are again expected to enroll in the five progressive instruction periods, according to Elmer F. Coble, executive director.

Comice man Jerome Blank told the Council that it was "customary practice" for advertising companies to donate billboard space for religious purposes, charities, law enforcement and citizenship.

Proposition No. 1 will decide whether the city will purchase six lots at Evelyn and Solano Aves. as the proposed site for a civic center.

The measure was placed on the ballot after Mrs. Zahn blocked the purchase of the property for \$33,500 through a referendum petition. Mrs. Zahn has opposed purchase of the property without a vote of the people.

In other action, the Council voted 3 to 2 in favor of a plan that would eliminate special census taking in cities for purpose of distributing (Continued on page two)

**Juvenile Council Plans Move Forward**

The newly-formed Albany Coordinating Council—a group seeking to marshal activities of the community's numerous service clubs and civic agencies working for welfare of youth—today is moving forward with a five-point program.

At a meeting Monday evening in the school Administration Building, George Chessum, assistant principal at Codornices School outlined a tentative five-point statement of purpose of the council before 10 representatives from various organizations.

The statement of aims included: "To promote cooperation among all organizations interested in the welfare of children and youth and in making the community a better place in which to live;

"To effect the coordination of community efforts in the development of wholesome family life and good citizenship;

"To study resources, conditions and needs affecting the welfare of children and youth and of the community itself;

"To advance the education of all regarding physical, mental, social and spiritual needs as well as available resources;

"To secure effective democratic action in improving community conditions and in meeting needs."

Albany Juvenile Officer Robert Bahl told the group that while overall statistics on juvenile delinquency in the community were down from previous years, a definite increase in felony crime among minors has been noted.

**ANOTHER OPEN LETTER to ALBANY CITIZENS**  
**From the CITY ATTORNEY**

Dear Friends:

Your encouraging response to my message to you last week did my heart good! Frankly, it took courage to publicly defy the "clique," but I felt that you expected your City Attorney to tell you the truth, the whole truth, and nothing but the truth! So I will repeat: "Beware the motives of those who would high-pressure you into giving up your freedom of choice, and coerce you into voting by the bunch—like bananas!"

As far as I can tell there is no candidate in the entire field, including incumbents and those knocking on the door, whom I could honestly say a word against! The sincerity of those who would serve the public in thankless jobs with low pay cannot be questioned—at least by me, and I ought to know. But the responsibilities of public office are great and often times wearing. That is why independence of judgment and of action is so important. Loyalty to you, the people, cannot exist at the same time with loyalty to a selfish clique.

Think independently; choose independently; and vote independently!

Looking back over the past four years' service to you, the people, I can honestly say I have never aligned myself with, nor yielded to any pressure group or individual either inside or outside our City Government. I have worked hard and efficiently, and often under the most trying circumstances, to protect your rights and your tax dollars. I am now seeking re-election on my record, as an independent candidate. There are no strings attached to me. I have no commitments to any groups, individuals, or other candidates for office. My platform is the welfare and best interests of you, the citizens of Albany.

Sincerely,  
**EDWARD R. PLOTNER**

INSPECTOR  
RALPH M. JENSEN

★  
HOW DO  
THEY GET  
THAT WAY?  
★

EXPERIENCE, that's how. There is no substitute for experience. Years of experience are necessary to become a skilled mechanic, craftsman or policeman. The skilled individual does things almost automatically, while the unskilled would sweat over the task for hours, trying to figure it out.

So What?

Well, in Albany, we are about to choose a new Chief of Police, and we can choose ONE WHO ALREADY KNOWS HOW, or we can choose one who must learn from the beginning.

That is why we say, "OUR CHIEF POLICEMAN FOR CHIEF OF POLICE."

Inspector Ralph Jensen has been living with police problems day in and day out. He has done everything a policeman has to do, from patrol work, desk and record work to administrative and personnel work.

We quote and excerpt from the Public Administration Service on the study of the Albany Police: "The Inspector is second in command in the department and DIRECTS THE OPERATION OF THE FORCE." It takes experience to do this.

"He serves as PERSONNEL OFFICER, investigates complaints against officers and is RESPONSIBLE for their compliance with regulations and FOR THEIR TRAINING. The other 17 members may be considered the untrained force." Such supervision requires the KNOW HOW AND EXPERIENCE OF POLICE WORK.

Inspector Ralph Jensen was personally recommended by the out-going Chief of Police, to become SECOND IN COMMAND AND AFTER COMPETITIVE EXAMINATIONS was made the CHIEF'S "ASSISTANT," our CHIEF POLICEMAN, last year.

As ADMINISTRATIVE ASSISTANT, it was he who so capably assisted in PREPARING THIS YEAR'S \$500,000.00 budget. Only EXPERIENCE IN LAW ENFORCEMENT AND DEPARTMENT ADMINISTRATION WOULD QUALIFY ONE TO DO THIS.

As citizens of the City of Albany, we are fortunate to have a candidate for Chief of Police, who is EXPERIENCED, OF PROVEN ABILITY AND INTEGRITY, a NEIGHBOR, a SOLID CITIZEN of our city and ONE WHO HAS PLEDGED HIMSELF TO A LONG PERIOD OF PUBLIC SERVICE TO OUR CITY.

LET'S TAKE NO CHANCES, and CHOOSE our Chief Policeman, INSPECTOR RALPH JENSEN, to be our new CHIEF OF POLICE.

Parents of C. M. MacGregor school children are busily engaged in cleaning out closets and drawers preparatory to sending old clothes and rags to school the week of March 30, when the PTA holds its "old clothing and rag drive."

The spring drive, proceeds of which are secondary to the main purpose of collecting old clothes which are distributed to the needy persons of this area, will start Tuesday, March 23rd and continue through Monday, April 5th. Large bags will be sent home by the children to be filled and returned.

In charge of the drive are Mr. and Mrs. Robert Finn, budget and finance chairman, who will be assisted by the parents.

## Emergency power for your telephone

Once in a great while, because of storms or other emergencies, a telephone central office may be cut off from its usual source of electric power. But this doesn't interrupt telephone service. In your central office are special electric generators, run by gasoline or diesel engines. And they take over the job of charging the large storage batteries that supply the current to run the telephone system.

Planning ahead for emergencies is another way we make sure you have dependable, low-cost telephone service when you need it. Pacific Telephone works to make your telephone a bigger value every day.

Coast-to-coast calls cost only \$2.50 plus tax

How you can enjoy even better telephone service

If yours is a party-line, you will receive even better service by following these simple points: When you have a series of calls to make, take time out between them. This gives other people a chance to reach you. Before you call, make sure the line is clear. And in cases where someone else has to make an emergency call while you're talking, the thoughtful thing is to hang up and call back later. Pacific Telephone.

**We say this to America...**  
**I took Studebaker, the great independent,**  
**to build the FIRST**  
**really modern car!**

I HAD to be done—and Studebaker did it! Studebaker—the great independent of the automobile world—once again has set the pattern for car design for years ahead!

Today's new Studebaker—designed by Raymond Loewy—is Studebaker's answer to America's growing demand for lower cost motoring. The speedlined new Studebaker silhouette is designed to give gasoline sensationally because it's free from power-wasting excess bulk. Studebaker has no "family" of cars to consider when it introduces a new model. Pace-setting Studebaker builds no other cars. Studebaker is completely independent.

That independence is the reason the far-advanced new 1954 Studebaker has swung on the scene so fast.

**Drive the car! Get the proof!** Get ahead of the parade—and get a '54 Studebaker. Don't settle for an old-fashioned "new" car this year. Get the out-ahead styling—the stand-out operating economy—of a Studebaker.

You're sure to get more for Studebaker's modern design when you trade. Stop in at your nearby Studebaker dealer's showroom today. Examine the car. Go out for a ride. Check Studebaker's big visibility—its low-to-the-ground safety—its deep-down comfort—its superb performance and handling. See your Studebaker dealer right away!

**How to wool-gather in comfort**

**You can count sheep** in luxurious comfort in your spacious Pullman accommodation aboard an SP streamliner.

We've been wool-gathering, too... to give you extra-fine wool blankets to add to your sleeping comfort. You also get clean white sheets every night and a soft, full-length Pullman bed.

But there's more: You have lots of space to relax in. You have all the privacy you want. You have individually-controlled air conditioning. In rooms, you have your own private toilet facilities. You have all the attentive personal service of a top-flight hotel.

And you have the many recreational facilities of the Lounge Car, including games, refreshments and the stimulating conversation of congenial people.

Next time you travel on Southern Pacific, relax in a roomy Pullman accommodation—roomette, bedroom, compartment, drawing room or suite. Also available: Pullman section space (upper and lower berths). You can reserve space in advance.

**Freight, too, travels comfortably**—Freight gets careful handling on SP, and at low cost. On an average, we move a ton of goods for about 1½ cents a mile. We have more miles of line serving more Western cities and towns than any other railroad. So, for fast, efficient and dependable freight service—whether carloads or l.c.l.—call our nearest agent.

**New, roomier bodies!**  
**New, rugged construction!**

**New Chevrolet Trucks...**  
**do more work per day... more work per dollar!**

You save extra trips. That's because of the extra load space you get in the new Advance-Design bodies. New pick-up bodies are deeper, new stake and platform bodies are wider and longer. Also, they're set lower for easier loading.

You save hours on the road. Thanks to new high-compression power, you can maintain faster schedules without driving at higher maximum speeds. Increased acceleration and hill-climbing ability let you save time where it counts.

You save time on deliveries. With new truck Hydra-Matic transmission, you save time at every delivery stop. And you can forget about clutching and shifting for good! It's optional at extra cost on ½-, ¾- and 1-ton Chevrolet trucks.

You save on operating costs. New power saves you money every mile! The "Thrifmaster 235" engine, the "Loadmaster 235" and the "Jobmaster 261" (optional on 2-ton models at extra cost) deliver increased operating economy.

You save with lower upkeep, too. Extra chassis strength saves you money on maintenance. There are heavier axle shafts in two-ton models... bigger clutches in light- and heavy-duty models... stronger frames in all models.

And your savings start the day you buy. In fact, they start with the low price you pay and continue over the miles. Chevrolet is America's lowest-priced line of trucks. It's also the truck that has a traditionally higher trade-in value.

Come in and see all the wonderful new things you get in America's number one truck. We'll be glad to give you all the money-saving facts.
